

## Visceral Manipulation for Structural Integrators: Module 1 of 5

**Dates:** April 8-11, 2010

**Location:** 880 Nantucket Ave, Eugene, OR 97404

**Instructor:** Jeffrey Burch

**Fees:** \$500

**Registration:** 541-689-1515, jeffrey@jeffreyburch.com, www.jeffreyburch.com

**Credits:** This course is approved for 24 IASI Type I CE Credits.

**Course Description:** Part 1 of a 5 part series providing in-depth instruction in Visceral Manipulation and how to integrate VM into structural integration practice. This series of courses will boost your SI practice to new quantum levels of efficiency and effectiveness. This course is approved for Rolf Institute® elective credit. In this first course, the essentials of Visceral Manipulation assessment methods and treatment methods are taught. These methods are introduced on familiar musculoskeletal tissues and then practiced on internal organs.

**Instructor Biography:** Jeffrey Burch practices Rolfing® structural integration, visceral manipulation, cranial manipulation, and Upledger CranioSacral Therapy. Jeffrey has utilized these techniques to provide treatment for chronic pain, carpal tunnel, TMJ, and many other conditions. He has been a Rolfer™ for more than 30 years. He is trained to the instructor level in Visceral Manipulation, and has in-depth training in several directions of cranial manipulation. His teaching consistently gets rave reviews.
