

Advanced Sacrum Dynamics For Rolfers™ and SI Practitioners

Dates: May 6, 2010

Location: Hyatt Regency Denver Tech Center, Denver CO

Instructors: The Advanced-Trainings.com faculty, including Rolf Institute® instructors and Certified Advanced Rolfers™ Til Luchau, Larry Koliha, Bethany Ward, and others.

Fees: \$155 by 3/15/10, \$175 after

Registration: www.advanced-trainings.com, info@advanced-trainings.com, 303-499-8811

Credits: This course is approved for 7 Type I IASI CE Credits

Course Description: Special 1-day workshop, limited to Structural Integration & Rolfing® practitioners only, co-sponsored by the Rolf® Institute. Learn advanced techniques that will dramatically improve your ability to work with gait, sacrum, hip, and sacroiliac issues. Special emphasis on working within a 10-series, post-10 or advanced Structural Integration/Rolfing® context. The workshop will take place before the May IASI Symposium in Denver CO.

Instructors Bio: As a Certified Advanced Rolfer™, Til Luchau is a faculty member and Coordinator of the Rolf Institute's Foundations of Rolfing Structural Integration program, where he is the originator of Skillful Touch Bodywork (the Rolf Institute's own training and practice modality). Formerly a resident practitioner at the Esalen Institute, Chair of the Rolf Institute's Teacher Training Committee, and Adjunct Faculty member of Naropa University's Somatic Psychology Department, he has trained thousands of practitioners in over a dozen countries on five continents.
